Isaiah Buhrke Organ Concert

Isaiah, nineteen, and blind from birth, has been playing a piano keyboard since he could sit up. Today he enjoys filling in as organist where ever he can. He plays for church worship and other events. On October 21st, he will lead a sing-a-long of well-loved hymns interspersed with some classical pieces he's rearranged to make more his own for everyone's enjoyment. Isaiah will also share his strong faith and his sense of humor.

Reason to Rejoice — We kick off our celebration of musicmakers today. Stop by the rolling display table to pick up a puzzle piece or Music BINGO card to get connected to the joys of music in worship. After 2nd service, visit with one of our instrumentalists and get a close up look at their horns. Next week, Oct. 14, we are blessed with our young musicians in Praise Lab...they lead a great "Christmas" season celebration. Here's a chance to dust off your guitars...after worship come and join them on the youth room stage for some "jammin"...no one is too "old" to give this a try! Air guitars welcome! thankamusicmaker@CUMC!

Outreach

4th Quarter Coin Offering — Our 4th quarter coin offering will go to SOJOURNER FAMILY PEACE CENTER IN MILWAUKEE. Their primary goals are to ensure the safety of victims of family violence and provide a pathway out of violence for victims and abusers through opportunities to make positive and lasting changes for themselves and their children.

Communion Sunday — Today, October 7. Together we enable National and International graduate students to change the world. Around the world gifted, qualified people face financial obstacles that hinder them from preparing for the vocation God has given them--especially youth and young adults. For ethnic students who will be the first generation in their families to attend college, or for those of color who haven't historically had access to resources that make higher education possible, the road toward higher education has often been unwieldy. What would it look like if the church today initiated Jesus' affirmation of the full dignity and God-given potential of all women and men--especially those who have been assigned to the world's margins? On World Communion Sunday your giving helps to provide scholarships for national and international graduate students whom God has gifted to learn and serve.

Fall Clothing Drive — Starts today, October 7 and runs through October 21. Our Clothing Drive will benefit Northcott and United Methodist Children's Services. Please bring your gently used Fall and Winter clothing for Men, Women and Children. Thanks for your generous donations.

In The Land Between: Walking the Labyrinth — The mission of this ministry, sponsored by the Wisconsin UMC, COPE, and NAMI, is "to provide peer support, education and other resources that is sensitive, compassionate, and responsive to the needs of teens and young adults who are dealing with mental health concerns." A new young adult peer support group will begin on November 15th at NSeven Coffee Company, 1307 Wisconsin Ave. in Grafton, from 6:30 – 8:30 PM. Please contact Pat Morrissey and/or visit the website at www.landbetween.net for more information and to sign up for these "open groups," (meaning ... come when you are able.) "The Labyrinth invites and welcomes people to walk the path together. It calls them to the land in oneness." ~ Aunty Ali Golding Aloringial Elder, Miripi Nation

Puerto Rico Volunteer In Mission Opportunity A WI Conference UMC VIM team is going to Puerto Rico January 8 through January 15. There are openings for people who can do construction work. Interested? Contact Amy Hess (920)434-8065 or alhess3@aol.com

Little Hats, Big Hearts™ — Volunteers from around the country are helping the American Heart Association (in connection with the Children's Heart Foundation) celebrate American Heart Month. By knitting and crocheting adorable red hats for babies born in February at participating hospitals, Little Hats, Big Hearts™, honors babies and moms in a very special way. These tiny red hats, on thousands of babies, symbolize their shared mission of heart-healthy lives for everyone. The effort also raises awareness of congenital heart defects, and what we can all do to help prevent them. The program helps hundreds of thousands of babies, across more than 40 states. Check www.heart.org/en/get-involved/little-hats-big-hearts to get patterns and specifications to create your own hat to donate to this cause. We hope to send off at least 100 hats by the deadline of December 1st. Please contact Vicki Streich (streichfamily@aol.com) if you have any questions.
