Mini-Retreat & Discussion of Gear Up!

— Sunday, May 19 from 5:00 p.m. to 8:00 p.m. Several of our committees and small groups have been reading a book that describes processes in local congregations that support revitalization, growth, and new ministry development: *Gear Up! Nine Essential Processes for the Optimized Church* (by Kay Kotan). Concepts in this book have been included in the recent sermon series using another one of Kay's books, based on research, consultations and learning from the Healthy Church Initiative (HCI). We have a Sunday School class starting at this time that will also look at this resource (Pat Morrissey's class), and Nate is expanding this conversation into youth ministry too.

The Administrative Council has scheduled a mini-retreat to discuss *Gear Up!* and identify the process steps or "gears" for future focus and priority at CUMC. All who have been reading or studying this book, or who are interested in becoming part of the conversation, are welcome to attend. Nourishment and child-care will be provided.

The "gears" we will be thinking about include:

1. Relationship-Building Process
2. Hospitality Process
3. Connection Process
4. Intentional Faith-Development Process
5. Worship Design Process
6. People Development Process
7. Simplification with Accountability Process
8. Strategic Planning and Evaluation Process
9. Congregational Care Process

Easter Flowers — Please remember to pay for your flowers in the church office. Lillies are \$8.50 while daffodils, tulips and hyacinths are \$8 each. Thank you!

New Sunday School Classes — Join Mike Blodgett during the Sunday School hour (9:15 a.m.) in the Library for a new study. "I said this, You Heard that, how your wiring colors your communication" If you've ever said the wrong thing – or said the right thing in the wrong way – you know how quickly your mouth can make a big mess. But it doesn't have to be that way. This 6 session video study explores how your wiring affects what you say, how you listen, and how others hear you. After taking the simple 40 question assessment, you'll learn a simple framework that will instantly improve your communication. And you'll see how advice from the apostle Paul thousands of years ago may have held the secret all along.

Join Pat Morrissey starting today through May 19, in the Wesley Room. Every church needs functioning systems. Kay Kotan present nine gears that are intended to provide the intentional processes to support effective ministry in "Gear Up". This class will focus of the "why" change is needed (not just "what" the change is). This will be a summarized class, as there are nine chapters and only four weeks of class. Contact Pat with any questions at patmorrissey19@gmail.com

Pastor's Discretionary Fund — Please consider making a financial gift to the Pastor's Discretionary Fund for emerging needs.

Men's Study Group — The men will soon be discussing the book "Nine Essential Things I've Learned About Life" by Harold S. Kushner. Please join us Thursday mornings at PJ Pipers at 7 a.m. for coffee, discussion, and camaraderie.

Mary Martha — The next Mary Martha Circle Luncheon will be May 8, 12:30 p.m. at the Water Street Brewery, 2615 Washington St., in Grafton. Please contact Nancy Severson (262-375-4073) if you have any questions.

Outreach

Every Day Disciple — Are YOU an "Every Day Disciple?" Let's ALL open our eyes, ears, and hearts to the needs of others. From April to June, July to September and October to December, each time you perform a service for someone else, you are encouraged to write down your name, what act of discipleship you performed and place the paper in the jar in Fellowship Hall. At the end of each quarter, two names will be drawn. These two individuals (or groups) will be able to each choose a charity of their choice, to which \$50 per charity will be donated. If you would like some input on suggested charities, the Outreach Team has a list of these. We will announce which charities received the donations for each quarter.

Second Quarter Coin Offering — The second quarter Coin Offering will be going to Northcott Neighborhood House. Each summer, Northcott runs a Day Camp, from the first week in July through the second week in August. Many children attend this fun camp, which costs about \$20.00 per child. Our CUMC coin offerings will help send children to camp. Thank you for giving generously of your coins!

April Food Drive — April food collection will serve Northcott Neighborhood House. Northcott's mission is to support family stability, provide educational and recreational programs for youth, lessen neighborhood tensions, combat community deterioration, and provide various social services for the residents of Harambee and surrounding neighborhoods in Milwaukee.

Spring Clothing Drive — The Spring Clothing Drive will be held from May 12-26. Donations will benefit United Methodist Children's Services and Northcott Neighborhood House. Collection will be in the church lobby during the Drive. Please bring new or lightly-used Summer clothing for children, men, and women of all ages. Thank you!

Youth & Children's Ministries

For registration information contact Jen at JenL@cedarburgcumc.org. For volunteer sign up and childcare options contact Tricia at TriciaG@cedarburgcumc.org.

Mosaic Teens Coffee and Donuts — Join Nate Gruber for coffee, tea and donuts from 7:30 a.m. to 8:00 a.m. on May 2, 16, & 30.

Highway Cleanup — We will be heading out to clean up trash as a part of our Adopt-A-Highway commitment today, April 28th from 5:00-6:30 p.m. This will meet during our youth group time and will be a time for middle schoolers, high schoolers, adults and parents to work together. Please join us!
