

Holy Week Services

Easter Sunday's significance cannot be fully understood without the realities of Holy Week. We hope you can be present for these experiences, which shape one's soul.

Maundy Thursday 7 pm Service (April 2) - Holy Communion and Pastor Dave's message "The Full Extent of His Love"

Good Friday Noon Service (April 3) - Join us in a stark sanctuary for this most solemn service. Pastor Dave's message "The Seven Last Words ... of Pilate." A light luncheon in the Wesley Room follows the abbreviated service.

Easter Sunday (April 5) - 8:00 & 10:15 Festive Easter Services. No Sunday School. Easter Potluck Brunch in Fellowship Hall.

Easter Brunch

Our beloved Easter Brunch will take place on Easter Sunday, April 5 at the 9:00 hour. Don't forget to sign up to provide pastry, sausage and cheese slices, deviled eggs, fruit, veggies, salads, breakfast casseroles, muffins, bagels, coffee cakes, or simple soft rolls. The tables will be festively decorated, and together we will enjoy each other's company as we celebrate this day of joy. Sign up now with what you intend to bring by registering your intentions on the bulletin board in Fellowship Hall. Please bring your dish fully prepared (baked, cut, etc.)

Dear Friends,

Thank you for your support while I was undergoing hip replacement. Your kind words, company, and prayers gave me great confidence in obtaining a full recovery. Hopefully I will be attending church soon. My body strengthens with each therapy session and lots of rest. Six weeks ago I would never believe that it would be possible to walk unassisted on two legs again. I appreciate your thoughtfulness and friendship.

Warm Regards,
Mary Hundertmark

Outreach

Easter Offering — Easter Offering goes to missionary Paul Webster (#11865Z) at Mujila Falls Agriculture Centre in Zambia where he serves the poor, rural people as a Rural Economic Development Specialist. Each project promotes major programs in education, health, sustainable and appropriate agriculture, community development, evangelism, and church construction. "As a rural development specialist I am attacking the root causes of poverty, disease, and hopelessness through education and training in small animal husbandry, cattle and goat milking, animal traction, tree nurseries, fruit culture, gardening and fish culture at our research and demonstration station. The goal is to equip families who can provide balanced nutrition for themselves and an income from small scale, family-based production." Paul goes on to say, "God has provided abundant land, water, plant and animal resources to Africa; it is up to Christ's Church to provide knowledge, faith and hope to its people." To learn more check out his Facebook page www.facebook.com/Mujlafallsagcentre, he updates it often.
