Outreach

Easter Offering — Easter Offering goes to Paul Webster of Mujla Falls Agriculture Centre in Zambia. The centre is an official project of the General Board of Global Ministries of the UMC. It was founded in the year 2000 with a grant of 2,500 acres of land from a Lunda Chief named Kanyama. They have been developing this land as a research centre and training facility for local entry level farmers. They focus primarily on food production and increasing the protein, vitamin and mineral levels in the local diets and increasing incomes for local people.

"Two calves born in just two days. One heifer; one bull. Our project continues to grow. Peace Corps Training to begin today and go for two weeks. Never a dull moment."

Northcott Missionary To Speak — Northcott Neighborhood House UMC Global Mission Fellow, Tyler Smoot, will be joining us next Sunday, April 12. The Global Mission Fellows program takes young adults ages 20-30 out of their home environments and places them in new contexts for two years of mission service. Tyler is serving at Northcott in their GED program. He holds a Bachelor of Arts degree in religion and psychology from Baylor University, Waco, Texas, and a Master of Divinity degree from Duke University Divinity School, Durham, North Carolina. Tyler will be giving the message and sharing a little about his experience at Northcott and how we can be in mission together. Cedarburg CUMC has supported Northcott with food donations and Christmas gift cards. Currently, our coin offering is going to scholarships for Northcott's summer program for youth. To learn more about the programs visit www.northcotthouse.org.

Eyeglasses Needed — A group from St. Paul Lutheran Church in Grafton will be attending a mission trip this summer with MOST Ministries. They will be doing vision screenings and

providing eyeglasses to villagers in remote Guatemala. To that end, they are collecting thousands of adult and child Rx. Glasses, over the counter readers and non-Rx. sunglasses. Find the collection box outside of our Youth Ministry Offices. If you have any questions, feel free to contact Jill Hoven (262)707-9387.

Finance — Tithing is rewarding. Reward yourself. Start with 10% of your 2014 tax refund.

Relay for Life — Thanks to your wonderful generosity, the Relay for Life team collected \$780 from the Bake Sale! Adding that to the luminaria sales of \$40; general donations of \$170 and \$525 in donations on-line, our total donations to date are \$1,515.00 – well on the way to our \$5,000 goal. We have received several offers for Silent Auction items to take to the event and our team has increased to 12 participants. But, there is still time to do more. . . There will be one more fundraiser in May. And, please consider joining us at the event on June 12th. You will get "hooked"!

Relay for Life Photos — Many have asked what we plan to do with the photos we are collecting. The Relay for Life event has become personal for many of us, either because we have lost someone to cancer, we know someone who is fighting cancer, or we are, or know someone who is, a survivor. What we hope to do with the photos shared is to honor those that make this event, and what we give to it, personal for us. We are putting together a photo video to be shared prior to the Relay for Life event. If you have a photo of a friend or loved one that you would like to honor in this way, please bring the photo to Shirley Westphal or place it in the envelope in the church office. If the person to be recognized is not a member of the congregation, please put the individual's name on the back along with your name and relationship to that person. Please know that your photos will be handled with care and will be returned to you.
