"Jesus > Religion"

Understand why Christianity's greatest competitor is not atheism, but moralism. Using this book by Jefferson Bethke, "Jesus > Religion" with the subtitle "Why Jesus is so much better than trying harder, doing more, and being good enough" you will discover the real hazard we face is allowing Christianity to morph into moralism.

Topics include:

- » Will the Real Jesus Stand Up
- » Why Jesus Hates Religion, and You Should Too
- » Fundies, Fakers and Other So-Called Christians

- » Religion Makes Enemies/Jesus Makes Friends
- » With Religion, There Are Good and Bad People/With Jesus, There are Only Those in Need of Grace
- » Religion Says "God Will Love You If"/Jesus Says "God So Loved..."

Outreach

Native American Ministries Sunday —

April 26th. Did you know? There are 3 Native American UM congregations in Wisconsin. They include Odanah UMC, Odanah (near Ashland), Milwaukee Native American Ministry UMC, and Oneida UMC, DePere. CUMC youth summer work teams served Native American communities in Wisconsin Dells (1978-79), Lac du Flambeau (1980-81), and Odanah UMC (1983-91). These Wisconsin and Native American UM churches and across the country receive support to conduct their ministries from this special offering. Please give generously.

Second Quarter Coin Offering — This week we will focus on the Health & Wellness ministry at Red Bird Mission. The Dental Clinic provides complete services for approximately 3,000 patients and the Prescription Assistance Program provides over 500 units of free medication to low-income, uninsured individuals annually. The Public Health Program provides over 1000 units of health education and public health direct services to low-income individuals in a 3 county area. Help support Red Bird Mission by emptying your pockets and wallets of their coins.

Eyeglasses Needed — A group from St. Paul Lutheran Church in Grafton will be attending a mission trip this summer with MOST Ministries. They will be doing vision screenings and providing eyeglasses to villagers in remote Guatemala. To that end, they are collecting thousands of adult and child Rx. Glasses, over the counter readers and non-Rx. sunglasses. Find the collection box outside of our Youth Ministry Offices. If you have any questions, feel free to contact Jill Hoven (262)707-9387.

Church News

Provide A Meal — Please consider providing a meal for the Payne family. A new sign-up sheet is on the kiosk in Fellowship Hall.

Finance/Stewardship — The Finance/Stewardship Committee is working to create 1st quarter 2015 giving statements on our new software program. We hope to have them to you soon.

The Finance/Stewardship Team is looking for new members that are interested in technology driven projects. We would like to tap into your gifts of design, video making and editing and data input and updating. Some of these projects can be done from your home. There will be some training involved but ideally you should feel very comfortable with computers. Please speak to Jesse Windmiller (chair) or Randy Roupp (technology) or Ellie Wilmeth (Membership Secretary) if you are interested.

Relay for Life Photos — Many have asked what we plan to do with the photos we are collecting. We are putting together a photo video to be shared prior to the Relay for Life event. If you have a photo of a friend or loved one that you would like to honor in this way, please bring the photo to Shirley Westphal or place it in the envelope in the church office. If the person to be recognized is not a member of the congregation, please put the individual's name on the back along with your name and relationship to that person. Please know that your photos will be handled with care and will be returned to you.

Wish List — A "Wish List" of desired items to complete our current building project has been created. It includes funding for our Outdoor Fellowship Area / Patio, Community Room furnishings, Technology and Office items, and remodeling our Education Wing restrooms. If you would like to donate to these important items, please return your response card and gift today. Additional information packets are on the table at the back of the Sanctuary. Thank you!

Easter Flowers — If you haven't paid for your Easter flowers, please do so as soon as possible. Lillies - \$16.50, tulips, daffodils and hyacinths are \$16.00. Thank you!

After eight long yet exciting months of construction, we as a congregation will hold our Grand Opening services of Worship on Sunday, May 17 at both the 8:00 and 10:15 services of worship. We are exceedingly blessed that our Bishop, Rev. Dr. Hee-Soo Jung will join with us on that day and preach. You can be assured that the music will be very festive and inspiring and this will be a great day of celebration. Between services, a brief Building Consecration will take place with the Bishop presiding. There will be an

open house of the complex with docent style guides from the Building Committee to answer questions or share information, in addition to a feast of refreshments. **Please consider signing up to help provide food for this wonderful celebration. We are in need of cookies, bars, fruit platters, cheese & sausage platters, finger foods and appetizers.** Plan on bringing your items to CUMC on Saturday, May 16th between 10:00 a.m. and Noon. The sign-up sheet will be on the kiosk in Fellowship Hall. Thank you!
