

FOR LIFE

The 2015 Relay for Life campaign and the CUMC "Life Saver" ship have sailed! It was a great campaign raising \$10,713 for the American Cancer Society and definitely showed that CUMC Cares! Our team won first prize for our creative Relay site and was recently recognized at the Wisconsin Relay for Life Leadership Conference as a Top Team for your donations.

As the campaign ramps up for 2016 Relay for Life on June 17th and 18th we need to put on our Game Faces! This year's theme is **Board Games - 'Let's knock cancer off the board!'**

Exciting opportunities are planned for everyone to have an opportunity to participate in this year's campaign. Watch the newsletter, the bulletin and the CUMC website for more details regarding this year's fund raisers – including an **All Church Variety Show on June 5th in the afternoon. Mark your calendars!** Sign-ups will be available soon!

Early sign up for the Relay is online at "Relay for Life - Ozaukee Lakeside". For more information on Relay for Life and this year's event, **stop by the Information Table after services** or contact **Shirley Westphal at swestphal56@gmail.com or 262-490-0468.**

Church News

Worship Service Outreach — If you or someone you know is unable to attend CUMC's service due to illness or immobility, we are beginning a new program that will bring the Sunday service to you! The Church has the ability to provide a CD or an iPod Nano which will have the unedited recording of the service for that week. If you are interested, please contact Chuck Buehler at 414-534-8500 or 262-377-8505. Any donations of unused, but working, portable CD players or a monetary donation to purchase these Nanos would be appreciated.

Mental Health Understanding — We are honored to have the Director of Cope Hotline Cecile Duhnke visiting CUMC on this Tuesday, March 1 at 7:00 p.m. While she will be coming to speak to our Befrienders on the topic of "Enhanced Listening", this meeting is open to all who are interested in becoming better listeners, not just those involved in Befriender ministry. Cecile will share Cope's mission of becoming trained listeners as well as improving mental health care which is one of the focus areas of the Mercy Street series. The meeting will be approximately 1 hour, with plenty of time for questions and answers. We hope to see you there for this most important topic!

CUMC Lenten Fair — Saturday, March 19, 9:00 a.m. - Noon. Join other members of our CUMC family as we prepare our hearts for the most wonderful time of the Christian year. Rotate through experiential and meaningful stations that will be both exciting, hands on and faith-based. Fun and enlightening for all ages. This is a terrific invitational opportunity for friends and family members who are looking for something "more" this Easter season. Sign-up on the Kiosk in fellowship hall or contact Sarah Ovard at Saraho@cedarburgcumc.org

Cribbage Club — Char Mielke, along with Carla & Lyle Schmidt will be hosting Cribbage Club on Sunday, March 13, right after second service (11:30 a.m.) in the Wesley Room.

Outreach

February Food Collection — Our February food collection will serve our Milwaukee neighbors in the area of 6th and Wright. Let's have a great showing of our concern and care for the people who depend on Northcott, a UM agency, for some of the very basic needs of life.

One Great Hour of Sharing — We can truly make a world of difference on March 6. This offering supplies the administrative costs for our great mission agency, UMCOR. United Methodist Committee on Relief works in disaster response, humanitarian aid, global health, and refugee and immigration programs. UMCOR is present in 80 countries, including the US. Only 10% of UMCOR's total funding can be used for administration, so any money given over 10% is used in programs. Because administrative costs are covered, all money given to an UMCOR program goes to that specific designation. Let's be generous March 6!

1st Quarter Coin Offering — Your change makes a difference! Northcott Neighborhood House - Providing scholarships for summer opportunities: Six Week Youth Programs & Summer Stars for Teens.

Easter Offering — Our special Easter offering will go toward CUMC's covenant for missionary Paul Webster's support, with additional funds being directed toward special projects. Paul is able to direct money given through special offerings to current projects of greatest priority. Paul Webster's mission at Mujilla Falls Agriculture Center, Kanyama, Zambia, Africa supports sustainable agriculture and daycare facilities to improve the lives of the local people.

Mercy Street

A Wednesday night experience of worship and stroll down the street of another's life

Have you ever gone down a street you've never been on before? Sometimes, it's scary or unsettling

at first. Often, we may see things that are disturbing, but we also tend to see beauty or something we didn't expect to see. When we drive out the other end, yes, there may be relief... but more often than not there is heartfelt appreciation, insight, empathy and more.

During Lent, on Wednesday nights, as part of our All Church experience (after the dinner) for the very first time we have Wednesday evening services of worship, not an adult study. You are invited to experience another street of life and living! Each week, we look at and experience Mercy Street for a different group of people who may have been a bit invisible to us. The unique music of each week adds to the total experience. And if this leads to action ... you just might find yourself embracing some challenges of Mercy. This could impact someone else's life, not just yours!

These services are held in the new Community Room at 7:00 p.m. (and end by 8:00 p.m. at the latest.) These services are casual and engaging. Join us for a stroll down ...Mercy Street.
