## Outreach

**Vegetable Seeds Collection** — We are collecting vegetable seeds for Mujilla Falls Agriculture Center through today. Seeds must be dated for 2016 growing season. Tomatoes, okra, eggplant and other vegetables are greatly appreciated! Look for the basket in the Outreach collection area of the entrance. Paul Webster's

mission at Mujilla Falls Agriculture Center, Kanyama, Zambia, Africa supports sustainable agriculture and daycare facilities to improve the lives of the local people.

**2nd Quarter Coin Offering** — Midwest Mission Distribution Center will be the recipient of the second quarter coin offering. Midwest Mission Distribution Center works locally, nationally and around the world to fulfill the call for service in Christ's name. They support UMCOR with much needed relief supplies. The Outreach Team is exploring the opportunity to travel to the Center in northern Illinois for a mission trip later in 2016 or in 2017. If you are interested in participating or coordinating such a trip, please contact Outreach through CUMC Office.

**Northcott/UMCS Clothing Drive** — May 22 through June 5. Northcott Neighborhood House and United Methodist Children's Services make clothing available to their program participants. Please bring clean, lightly worn SUMMER clothing for Men, Women and Children to the Outreach closet (near the Community Room) during this collection period. Clothing will be distributed to both organizations! These organizations really appreciate the generous donations from CUMC!

- Please use sturdy bags
- Clothes that are stained or missing buttons, etc. are not accepted
- Please, no shoes

Thank you for your generous donations!

**Northcott Food Drive** — During April we will be collecting food for Northcott Neighborhood House, A UM Community Center, 6th and Wright in Milwaukee. Food we contribute is greatly appreciated, so let's join together and make a difference in an area of great need! Cleaning supplies, soap, etc. are also accepted.

**Native American Ministries Sunday**— Today, April 10th. Your gift educates, evangelizes, enriches. It nurtures mission with Native Americans and provides scholarships for UM Native American seminarians. It allows the UM church to launch and strengthen ministries, both urban and rural, and to recruit and prepare Native American pastors. This mission endeavor serves over 20,000 Native Americans including 3 churches in Wisconsin.

**Family Promise** — Our next hosting dates begin today through April 17th. We will have one new family in April. The family consists of a six year old boy, mother and grandmother. Spanish is their primary language. Our previous 2 guests are close to finding housing, so we will not know until April 8th if they will be back

with us. Please look over the sign up sheets and sign up to help. Youths and adults who speak Spanish would be most welcome to come for some time in the evening to help with communication.

**Family Promise Fundraiser** — Wayne Larivee, radio voice of the Green Bay Packers, will be the guest speaker at an event to help raise funds for the day-to-day operations of Family Promise now that the initial start-up has been completed. Tickets are \$25. Currently, each church working with Family Promise in Ozaukee County has 16 tickets to sell. Current volunteers have a BOGO-Buy One, Get One free-opportunity, so be sure and stop at the ticket sellers' table in Fellowship Hall on April 10th and 17th. Thank you for continuing to support Family Promise Ozaukee.

## Light the way to a cure...

**D**id you know you can recognize your loved one and help support the American Cancer Society by purchasing a luminaria? Just a \$5 donation will help in the fight against cancer and serve as a symbol along the track at the America Cancer Society Relay For Life to memorialize or honor someone you love. The names of these individuals will be read aloud in a special ceremony June 17, 2016 at 10:00pm at the Ozaukee Lakeside Relay for Life, which you are invited to attend. It is a moving experience.

All proceeds will support the American Cancer Society's mission to fight cancer in terms of research, education, advocacy and patient service programs. Stop by the Relay for Life registration table and pick up a bag to decorate and return.
