First Corinthians: Living Love When We Disagree

The first letter to the Corinthian church provides the model pattern for "Living Love When We Disagree." Never have we needed this wisdom and chosen behavior more than we do today. Join Lee Ann Blackmer with this chapter by chapter study through this timeless New Testament letter, as rich and timely today as it was 2,000 years ago. Using video clips by one of the most

popular new teachers of our time, Melissa Spoelstra, Lee Ann helps you learn how to implement the wisdom of scripture to enrich your life and maybe just solve some perennial problems in our world. This study could change the way you relate to the bible and also live your life.

Lead Your Family Like Jesus: Powerful Parenting Principles from the Creator of Families

What does your family need, really need, in the way of leadership and direction? Ken Blanchard, best-selling co-author of *The One Minute Manager* and *Lead Like Jesus*, points to a role model: the Son of God. Joined by veteran parents and authors Phil Hodges and Tricia Goyer, this renowned business mentor (Blanchard) shows how every family

member benefits when parents take the reins as servant-leaders. Moms and dads will see themselves in a whole new light as life-changers who get their example, strength, and joy from following Jesus at home. Mike Blodgett leads this thought-provoking and practical study that has a video component to spark conversation.

Organic Jesus: Beyond Additives, Preservatives and Bobblehead Jesus

Regardless of living in an "age of nones" (more people than ever in our nation's history identify their religious affiliation as 'none of the above') the statistics are clear – people are still interested, very interested, in Jesus. Two decades ago we should have seen this coming "In the Quest for the Historic Jesus." It was an academic search – not for the Jesus of tradition (and who he has become), but the authentic Jesus, unvarnished, without all the extras the church has stacked on our understanding. Today, this quest continues but with an edgy, non-academic, young "Millennial" or "Gen Y" vibe of natural, healthy tones.

Please, just give me Jesus without all the additives, preservatives and extras that simply make it harder to relate to one who saved and delivered. And by all means, don't give me a bobblehead Jesus! Pastor Dave leads this questioning, exploring frolic to experiencing the Savior anew ... using a book by an up and coming young writer, Scott Douglas, tagged "#Organic Jesus." Each week we will explore dilemmas in our thinking that keeps us stuck on religion and not on Jesus. Join us to discover for yourself an unprocessed, gmo-free Christianity.
