whimsical and witty humor with which she carries herself ...if you have ever had the chance to talk to this basically shy person. Her persona wonderfully gives a complementary frame to her musical prowess.

Johanna will give a short concert on Sunday afternoon, February 26 at 4:00 p.m. here at Community United Methodist Church. The program will consist of 3 Chopin études (Ocean, Revolutionary, and Butterfly), a Chopin nocturne, Mozart's Variations on Twinkle Twinkle Little Star, Clair de Lune, and a rousing Russian toccata. You will be enthralled and delighted. A short reception will follow the concert in fellowship hall should you like to visit a bit with Johanna. Nursery care will be provided for preschoolers and younger, in case you take advantage of it. Don't miss this wonderful occasion featuring the delights of piano music.

Since the start of September, we have been immensely blessed by the talents of Johanna Schilling. Outreach

For Love's Sake — This Wednesday is the last day to contribute to our collection for Amy Hufnal's special needs students at Marshall High School. Please see the list on the chest in the entrance (additional copies of this list are available there.) Let's all make this an "over the top" success! Monetary donations are also always welcome; simply put on the memo line of your check: Amy Hufnal Class. Thank you for your generosity!

Pecan Valentine Sale — Just in time to give delicious Candy Pecans to your loved ones and friends. We are reducing them to \$8.00 per bag or two for \$15.00. Please help us finish this sale. Checks are welcome. The profits go to Disaster Relief Fund, Haiti.

Food Drive — Our February food collection serves our Milwaukee neighbors in the area of 6th and Wright. Northcott Neighborhood House serves about 1,200 community residents annually. In addition, they distribute food to 1,000 older adults and recent Women, Infants, and Children (WIC) Nutrition Program graduates. If each family sets a goal of providing one food item a week, we would have a huge amount of food to deliver!

Simple Hope — A new SIPer bucket system of assisting African people in growing their food is underway! April 26 - Save the date to participate in a new all age event.

See the newsletter for additional details.

AED Training — Thursday, March 23 at 7:00 p.m. The automated external defibrillator (AED) is a computerized medical device that checks a person's heart rhythm. It recognizes a rhythm that requires a shock and advises the rescuer when a shock is needed. The AED uses voice prompts, lights and text messages to tell the rescuer the steps to take. With training, anyone can learn to operate an AED safely. Please consider taking this important class. Sign up in Fellowship Hall.

Women's Reading Group

The next book being read is "Present Over Perfect, Leaving Behind Frantic for a Simpler, More Soulful Way of Living", by Shauna Niequist. Particularly in a suburban area like the one we live in, there is pressure for perfection; the perfect house, the perfect family, the perfect job, looking and being perfect. But striving for perfection is not the same as striving for a meaningful life. You are invited to read this book about living a life of meaning and

connection, and then get together with Lee Ann Blackmer at the parsonage (N78W7286 Oak St) on Wednesday, February 22 at 7:00 p.m. for discussion and reflection. In addition, there will be a brief overview of "Half the Sky", the last book read. You need not have read that book to join us; it will be worth hearing the highlights! Please contact Lee Ann at dblackmers@aol.com with questions.
