

Simple Hope

Please remember to put on your calendars the Simple Hope SIP'er event on Saturday, April 29 at CUMC. We will provide all of the components required for you to build your own 5-gallon bucket planter in addition to instructions that you can use to build additional planters if you would want to do so. For a donation of \$25 you can build your own planter to take home and use. Bring your family and make it a fun family event! In addition to building your planter, you will hear from Pam and Karen, the founders of Simple Hope, about the successes, both materially and spiritually, that God has granted the Hadzabe tribe in Tanzania. This will only take an hour of your time, and you can sign up for either 9:00, 10:00, or 11:00 a.m. Your donation of \$25 will allow us to buy materials in Tanzania so the Hadzabe can build their own planters and grow their own vegetables.

Here's your chance to sell all those baby/kid/maternity items taking up space in your home. Or maybe you're in need of clothing, furniture, toys or books for your little ones—either way you won't want to miss this sale!

New Member Gathering

A New Member Gathering will be held this afternoon, April 23rd from 4:00 to 5:30 p.m. A nursery will be provided for little ones. During this time together ...we will get to know each other better; hear an overview of the ministries and mission of CUMC; obtain a thumbnail sketch of United Methodism; and be given the essentials related to what church membership means and how it is lived out at CUMC. All those new to Community UMC are welcome to attend.

Church News

Landscaping/Gardening Help — Would you like to help with CUMC's landscaping needs? We are looking for anyone who would lend a hand with weeding, planting, spreading mulch and/or mowing. If you would like more information, contact Julie Fingeroos at juliemomof4@earthlink.net or Matt Geszvain at mattg@advwindow.com

Paint the Town Purple Kick-off Event — Once again, CUMC will hold one major fundraising event for the Relay for Life and the American Cancer Society. This year it is also the kick-off event for a week-long "Paint the Town Purple" event to raise additional awareness and funds. This church-wide event will be to be held on Sunday afternoon, June 11th at the Cedarburg Cultural Center. Once again, we are looking for a VARIETY of acts – soloists, bands, comedians, dancers, clowns or jugglers! Let's show Cedarburg our talents and our passion for putting an end to cancer! Sign up now for your place in the show! Along with other opportunities (baking, volunteering, performing), you can be a part of this experience by dedicated a "Relay Heart" which will be united with others onsite at the Cultural Center to create our own art installation on behalf of those we love. Every heart has a story of a love one lost, someone battling cancer or celebrating a survivor. Hearts can be dedicated for \$3 each or two for \$5. If you have any questions regarding this event or the Relay event on June 16th, please see Shirley Westphal or contact her at swestphal56@gmail.com or 262-490-0468.

Simple Hope Sunday

It is amazing what God can do with two willing hearts! Just a few years ago, God put a burden on the hearts of two local women, Pam Schwalbach and Karen Puhl, concerning the people of Tanzania and specifically the Hadzabe tribe. Today, Pam and Karen lead in worship along with Pastor Dave, telling their story, giving testimony of God's activity, and enlisting us in Simple Hope's continued ministry in Africa.

Gospel Sunday

Pierre Lee and his captivating piano playing will join us once again on Sunday, April 30 at both services. Combined with the abilities of Johanna Schilling, the piano keys on the grand piano should be well used on this particular Gospel Sunday. Pierre, who along with Amy Hufnal, will work with the choir on the preceding rehearsal is sure to have the choir more animated and tapping. Anyone is welcome to join in the rehearsal on Thursday, April 27th.

"A Slice of Heaven On Earth" Active Seniors Gathering & Luncheon with Bill Tiedemann

Wednesday, May 10 - 11:30 a.m.
Community Room

Norman Maclean wrote a popular book entitled *A River Runs Through It* which was turned into a feature movie. Its breathtaking images easily conjure both the sublime joy and the raging excitement that merge in the stream of fly fishing. If you ever want to see Bill Tiedemann become more animated than he always is, hear him speak as passionately as he ever does, and see him drip with a sense of God's nearness ...

you have to hear him talk about his beloved fishing hole amid the mountains of California. Bill will share his stories, experiences, and observations along with pictures and images to give us a sense of this wonder. We will have a fish fry luncheon, replete with sides and dessert. Then, around 12:15 Bill will enthrall us with his thoughts and cherished stories. We'll conclude this wonderful gathering around 1:00 p.m.
