

## Sunday Messages

### *on Congregational Revitalization*

**H**ow do we “do” Church? How do we “re-think” Church? How do we know whether or not anything needs to change, or understand what to change, or how to change? There are so many questions!

During the past six years before coming to Community United Methodist Church in Cedarburg, I worked with congregations and circuits all over the state of Wisconsin on these questions. One of the more useful resources I found was a book entitled [10 Prescriptions for a Healthy Church](#). The book comes from the experience and learning of a United Methodist based revitalization process called Healthy Church Initiative (HCI). Its contents, presented as symptom, prescription and remedy, include the ten most common areas of concern among congregations that have participated in the HCI process. One of the authors, Kay Kotan, partnered with me two years ago for a local church consultation in Wisconsin.

**T**he concepts and strategies are challenging but refreshing. I want to introduce all of us to the basics of this way of understanding who we are, where we are, and what to do next. I have learned that the best way to reach the most of us is to incorporate the fundamental concepts into Sunday morning worship.

A preaching series based on [10 Prescriptions](#) will start Sunday, February 3rd and run through Lent up to the week before Palm Sunday. Worship will be seasonally grounded in the church calendar, with scripture readings from the revised common lectionary, and thematically related to ten core concepts for revitalization. One thing builds on another, and the shift is systemic, addressing the purpose, why we are here as the church.

**Please join us on Sunday mornings as we “do” church –  
and as we imagine anew what the church of Jesus Christ should “do differently” in this changing world.**

# Wednesday Nights in Lent

**L**ent begins on March 6 (Ash Wednesday) and continues through Palm/Passion Sunday and Holy Week (with special services on Maundy Thursday and Good Friday). Lent is a season for focusing on the way of the cross, and taking the inward spiritual journey. A series of six Wednesday night gatherings will begin on Ash Wednesday, March 6. A potluck meal will be served at 6:00 pm. At 6:45 on Ash Wednesday we will move into the sanctuary for worship with the imposition of ashes and Holy Communion.

**O**n the following Wednesdays in Lent we will gather for a community meal at 6:00, followed by a five week series in the Community Room about the spirituality that undergirds faith formation and discipleship in the Wesleyan theological tradition. Pastor Don Greer and Nate Gruber are teaming up to guide us using a creative combination of teaching and songs that correlate with the phases or stages in the Wesleyan order of salvation. We will enjoy fellowship, learning, sharing, and praying together.

<b>March 6</b>	<b>Potluck Meal at 6:00</b>	<b>Traditional Ash Wednesday Liturgy at 7:00 p.m., including introduction to the overall series.</b>
<b>March 13</b>	<b>Italian Beef Sandwiches, Cheesy Potatoes, Fruit Salad</b>	<b>Prevenient Grace</b>
<b>March 20</b>	<b>Spaghetti &amp; Meatballs, Salad, Garlic Bread</b>	<b>Conviction of Sin</b>
<b>March 27</b>	<b>Mexican Casserole, Tacos, Chips, Fruit</b>	<b>Justification by Grace through Faith</b>
<b>April 3</b>	<b>BBQ Chicken Sandwiches, Pasta Salad, Chips</b>	<b>Sanctification of Heart and Life</b>
<b>April 10</b>	<b>Salad Bar, Baked Potato Bar</b>	<b>Perfection</b>

**Join us on Wednesday nights starting March 6.**

**The meal is served at 6:00 p.m. and the program will start at 6:45 pm.**

# Music at CUMC

**M**usic and worship leadership met on January 20th to work together on providing vibrant worship in 2019. We are truly blessed to have such a bountiful and diverse array of people and talents willing to add meaningful special music to our services! Most of our groups offer their gifts once a month in worship so the congregation gets to hear a variety of styles and different musical groups. Almost everyone who participates is a committed volunteer so that amounts to a huge number of hours given back to

CUMC. How could you help? Think about trying out a musical organization.

**Hand bells has only one low bell ringer and could use some strong muscles to lift those bells.** They are preparing for a great evening of music in March – the Milwaukee Area Handbell Festival (See the information below). Could you ring for February and March to help them out?

## *Milwaukee Area Handbell Festival*

**Sunday, March 24, 2019**

**Rehearsal 1:30 - 5:30 p.m.**

**Concert 7:00 p.m.**

**St. John's Lutheran Church Gymnasium  
Glendale, WI**

**Or how about Chancel Choir?** A few of our “regulars” head south for a few weeks in late February, so could you give this group a try? How about joining the “Easter” Choir with only three rehearsals in April? An exciting piece with brass and some hand bells is being planned that is mostly in unison...easy to sing and learn.

**Maybe dust off your horn?** We have many instrumentalists and playing in these groups is fun and less intimidating than solo work. A jazz instrumentalist group is planning on playing on Mar. 3rd. If you play sax, trombone, trumpet, guitar or percussion, we'd love to have you join in. Rehearsals are Feb. 24 – 11:15 in the music room and Mar. 3rd – 9:15 in the sanctuary. Pull out that horn now, get your chops back up and talk to Ellie for music in early February. We have flutes,

violins, oboe and other wind/string players that would love to have a group to call their own, too! Calling all cellos, violas, clarinets and French horn players...you are wanted and needed!

**Not musical?** Could you learn how to run our sound system or PC slides in worship? Right now we have a very small group who

handle this each week and would love to have a few more people step up. One-on-one training is available and you can certainly sit in one Sunday and watch how this is done...talk to Randy Roupp or Mike Harrington for more information.

All of this adds up to dynamic worship at CUMC...be a part of serving the Lord with a joyful noise!

## *Update on the Choir Director Position*

**T**he search committee has worked diligently to find a new director but so far, our prayers have not been answered in the way we thought. At this point, we have put together a contingency plan to cover Ellie's absence in April and May (Tom and she are travelling while Tom is on sabbatical). After prayerful consideration, Ellie has agreed to continue in the position when she returns. As our congregation

is challenged to meet the needs of future generations, she would like to establish a committee that works on a vision for music at CUMC that matches long range planning goals and prepares us to reach out into our community. If you would like to be part of this discussion, please let Meg Johnson, head of Staff Parish, know of your desire to serve.

## Happy February!

This is that time of year that I sometimes get lost in a mental fog. It's winter and it still feels like several months until real warm weather, and it can sometimes get hard to remember why we do what we do - in life and in youth ministry as well. Whether you're a student and are in school, or a parent and at work, or your kids are out of the house and you find yourself with more time, you might know how that feels. Which is why it's a good idea to periodically step back and remember why we do what we do at CUMC and in our youth ministry...

**Jesus.** It's pretty simple. And it might sound like the "Sunday School" answer, but it's true. What God has done in and through Jesus of Nazareth changed the course of history and the course of billions of people's lives. As I think and pray for each and every one of the students connected to our church I can't help but think about how Jesus has changed and continues to change everything for them - taking situations in life that are confusing or hard and reminding them that God is with them in each moment.

Not only is God with them in each moment, but God is with them over the entirety of their lives. Which is why I often think not about your kid right now - in 5th, or 8th, or 12th grade - but I think about your kid in college, or at their first job, or in their first year of marriage, or in an argument with their boss, or sitting on a golf course in retirement. Believe it or not, I tend to think that far out into the future when it comes to your kids and my kids. Because the way that we shape our youth ministry isn't only to give them a fun place to play this week, or a cool place to talk about real life issues today, but every event, youth group, Bible study, or conversation is done with the vision that these kids will very quickly be adults - making decisions which will greatly impact their lives and the lives of people around them. With this vision in mind, youth ministry is serious work.

I mention all of this partially to remind myself that what is at stake this week is not merely the quality of another youth group or how fun a game is, but what is at stake is also the trajectory of a young person's life. Sometimes in the middle of winter it can be easy to forget that the long view of things is important

and necessary. And that's why we do the things we do. That's why I pray for your kids throughout each week, and study God's Word so that they can hear it in language that might make sense to them. It's because Jesus' presence in their life matters, and their lives matter above anything else.

So my invitation to every parent and student is to have the long view in mind when making choices today. Our youth ministry is here to walk alongside you as you parent your kids. Life can feel busy and we're not merely here to offer you another thing to check off your "to-do" list, but we're here with their best in mind. That soccer practice, vocal lesson, swim meet, or study session, will all fade from remembrance with time but God's presence will never leave your kids life. With that in mind, we're excited for what's next in our ministry and look forward to helping you guide your kids into deeper relationship with God and others.

Blessings,

*-Nate Gruber*  
Director of Student Ministries

In February the Mosaic Kids will learn about the connection between service and God's character in Sunday School. Jesus demonstrated what serving really means by washing His disciples' feet and even laying down His life for the sins of the world. We reflect His character to the people around us when we lend a hand and serve. Our memory verse for the month is Mark 9:35. Help your child look it up in their Bibles and practice saying it outloud. Anyone who has it memorized before the first Sunday School class in February will earn an extra ping pong ball for their class!

Did you know that your kids' offering every week goes towards helping the Hunger Task Force Farm? The Farm provides local families in need with fresh produce and teaches children about gardening and eating healthy. Join us for a tour of the farm's Fish Hatchery, Orchard, Oak Savannah and School Garden. We will even get a taste test from the Chef's Kitchen! Students in 4K-5th Grade are invited to join us with their families on the tour. The tour is limited to the first 30 people who sign up. See the sign up sheet in the parent resource center to reserve your spot!

This spring we are focusing on more ways to serve the families of CUMC. We are interested to hear from the parents of the Mosaic Kids, Youth and Teens so we can equip you with the best resources in raising your children in God's family. If you haven't already, please fill out our survey. It takes less than 10 minutes and will give us the information we need regarding Parenting/Marriage Sunday School classes, family events, communication and resources we can provide you to give your children the best Christian education possible. Pick up a survey in the Parent Resource Center or check your email for the link from Tricia that was sent in the middle of January. Paper copies can be turned in to Jen, Tricia or Nate.

Save the date for Vacation Bible School!!! This year VBS will be June 10th-13th from 9am-noon. Registration details will be sent home soon and be sure to check out our Facebook page for more information!

# Mission Outreach

The first quarter coin offering is going to providing support for refugees via the Asylum Seekers Advocacy Program. This is such a needy issue - please consider making this an intentional giving rather than just whatever coins you happen to have in your pocket.

Join Hunger Task Force's most popular and fast-paced volunteer activity! Saturday, February 9, 9:00 a.m. to Noon. We will carpool from CUMC at 8:00 a.m. to Hunger Task Warehouse in Milwaukee. We will return to CUMC by 1:00 p.m. Volunteers must be 16 years or older, or may be age 12-15 with a chaperone. All volunteers must also be able to plan for lifting, twisting and bending; and stand for long periods of time. Sign up on the kiosk in Fellowship Hall.

Benefitting Saukville Food Pantry

January 20 through February 10

**How High Can We Go?**

When Pat Morrissey read an article in the News Graphic about the "more than the customary" need for food and supplies for Ozaukee residents at the Saukville Food Pantry, she proposed to the Outreach Team that CUMC help out with these efforts. At the time, the government shut down was in effect, and more people than usual were in need of food and supplies. Now that this shutdown has temporarily ended, our snow and cold weather has also forced even more people than usual to visit this food pantry. The collection of food and supplies (toilet paper, shampoo, tooth paste, bar soap, deodorant, dish soap,

laundry soap, corned beef hash, brownie/cookie mix, canned chicken, chili beans, diced tomatoes, instant rice, instant potatoes, fruit juices/drinks, and dry cereal) is being gathered THROUGH FEBRUARY 10TH. The hours for drop off are Monday through Thursday: 9:00 AM - 2:00 PM.

Please consider donating to this food pantry collection so that our most vulnerable Ozaukee County citizens are safely supplied with items that they need to stay warm and safe.

**T**hank you to ALL who participated in our recent hosting week. We are especially grateful to a donor from our church, the Outreach Committee, and the Family Promise organization who gave funds for the purchase of 12 new cots and mattresses. These were appreciated by all the overnight volunteers and will be enjoyed as they travel to the host churches!

We continue to have new volunteers who do not go to either CUMC or St. Boniface. Nate spoke with one family who have two teenage daughters. Before they left, they asked about our service times, so be sure and welcome anyone who is visiting!

If you haven't heard, the Port Washington Family Promise offices have moved from a lower apartment to the former Schmidt Funeral home in Port. It is called

Family Promise Ozaukee Promise Center. One of the families from our September host week is now happily settled in the former apartment!

**Reminder:** Each hosting week, we need volunteers for Basic Food Supplies (Thank goodness for hot dogs for an occasional 'option' meal), Washing Linens (Thankless jobs get the MOST thanks!) Set-up and Take-down, Dinners, Hosting (visiting with adults or coloring, reading books, playing Air Hockey, etc. with any children/teens), and, of course, Overnight Hosts. Our hosting weeks for 2019: March 24-31; June 2-9; and Oct 27- Nov 3. Please look over your calendars, and consider an area you might help fulfill.

## Walking the Labyrinth Update

"The Land Between: Walking the Labyrinth," has now become "Walking the Labyrinth." This peer support / peer facilitated group ... for young adults (ages 18 – 30) ... meets every first and third Thursday of the month, from 6:30 – 8:00 PM at N Seven Coffee Co in Grafton. It is designed for those who would like to grab a cup of coffee, engage in casual conversations about struggles and successes, learn ways to cope, and support others who may be a bit lost on their journey. Pat Morrissey is the coordinator of this group and shares the facilitation with two "twenty-something" young adults. This group has met once, listening to each other's stories, watching a TED Talk on Vulnerability, and had fun trying to decide what three items each of us would bring to a desert

island, if we were stranded. Connections were made, phone numbers exchanged, and ideas as to how to grow this group were brainstormed. If you know a millennial who might appreciate this type of peer group, please contact Pat. OR ... if you would like to join Pat on one of these evenings, please reach out to her.

There are still attitudes that view symptoms of mental health as threatening and uncomfortable, and these attitudes frequently foster stigma and discrimination towards people with mental health concerns. People tend to hold these negative beliefs about mental health problems regardless of their age, regardless of what knowledge they have of mental health issues, and regardless of whether they know someone who has a mental health problem. This can lead to various forms of exclusion or discrimination – either within social circles or within the workplace. But, with people who are brave enough to admit they have a mental health problem ... they can often lead the way for us ... which they do. Helping to bring an end to this stigma is vital and there is a need to challenge existing negative stereotypes especially as they are portrayed in the general public and media. This is a mission field that where we can, as John Wesley said, "Do all the good you can, By all the means you can, In all the ways you can, To all the people you can, As long as you can."

For further discussion regarding mental health or for further information about this group, please contact Pat at [pat@landbetween.net](mailto:pat@landbetween.net) OR visit the website at [www.landbetween.net](http://www.landbetween.net)

## Special Session of General Conference

**T**he Council of Bishops has called a Special Session of the General Conference of The United Methodist Church to be held February 23-26, 2019 in St. Louis, Missouri. General Conference is the top policy-making body of The United Methodist Church. The purpose will be to receive and act on a report from the Commission on a Way Forward based on the recommendations of the Council of Bishops. The 32-member Commission was authorized by General Conference 2016 and appointed by the Council of Bishops to examine paragraphs in The Book of Discipline concerning human sexuality and exploring options to strengthen the unity of the church.

**T**here are four proposed plans: a One Church Plan, a Connectional Conference Plan, a Traditionalist Plan, and a Simple Plan. Descriptions of these plans are available through the church office and on-line ([umc.org/topics/general-conference-2019-special-session](http://umc.org/topics/general-conference-2019-special-session)). In addition, there are 78 petitions in harmony with the purpose of the special session that have been submitted. Pastor Don has been asked by Bishop Jung to serve on a special task force for strategic planning and tactical thinking of ways to interpret and communicate the decisions made in February in St. Louis, the potential impact on our denomination, and the critical implications for United Methodism in Wisconsin. There will be opportunities offered for discussion once we know the outcome of the special session.
