Weeding Update!

Many thanks to those who have helped with the weeding, it's getting there! Our Music groups have decided to adopt the corner surrounding the music room and will maintain that area. With that idea, Julie Fingeroos has decided to adopt the courtyard (the area when you look out the windows by the fireplace). Would anyone else like to adopt an area to maintain? It doesn't have to be big, even just one island in the parking lot, for example. You pick what you feel you (or you and some friends) can maintain. We hope this is an idea that will catch on! Contact Julie Fingeroos if interested: juliemomof4@earthlink.net

Outreach

Second Quarter Coin Offering — The second quarter Coin Offering will be going to Northcott Neighborhood House. Each summer, Northcott runs a Day Camp, from the first week in July through the second week in August. Many children attend this fun camp, which costs about \$20.00 per child. Our CUMC coin offerings will help send children to camp.

Every Day Disciple — Are YOU an Every Day Disciple? Please remember that as you perform a service for someone else, you are encouraged to write down your name, what act of discipleship you performed and place the paper in the container in Fellowship Hall. At the end of June, two names will be drawn at the 10:15 service. These two individuals/groups will be able to each choose a charity of their choice, to which \$50 per charity will be donated. If you would like some input on suggested charities, the Outreach Team has a list of these.

June Food Drive — The June food collection will serve Northcott Neighborhood House. Northcott's mission is to support family stability, provide educational and recreational programs for youth, lessen neighborhood tensions, combat community deterioration, and provide various social services for the residents of Harambee and surrounding neighborhoods.

Aluminum Can Drive — Start collecting now! Drop off date will be September 28. Our aluminum can drive proceeds will support El Porvenir: Clean Water, Healthy Nicaraguans. 54% of rural Nicaraguans lack access to clean water; 31 % lack adequate sanitation facilities. This project improves the quality of life of rural Nicaraguans through lower incidences of water and sanitation related

diseases and mortalities. Wells and latrines are constructed by villagers trained to build the project and carry on its maintenance. El Porvenir provides materials and training. **LET'S WORK TOGETHER FOR A HUGE COLLECTION TO AID THIS UMC PROJECT!**

School Supply Collection — This year we will again be conducting a collection of school supplies to benefit a Milwaukee school or organization. This year the supplies will go to "New Beginnings are Possible". As you may know, New Beginnings is a Christian non-profit organization that provides after school tutoring, activities, and dinner for children on the north side of Milwaukee. CUMC has supported New Beginnings and its predecessor, the Agape Meal Program, for many years, by providing food and serving a dinner once a month. With this year's school supplies collection, we have a chance to increase our support for this most worthwhile organization. The drive will begin on July 1 and run through August 11. Just about any school supplies that you can imagine will be welcomed, including spiral notebooks (wide and narrow lined), three-ring binders, folders, pens, pencils, erasers, crayons, dry erase markers, colored pencils, highlighters, post it notes, backpacks, scissors, glue, tape, etc. Please be generous for those less fortunate and thank you in advance for your loving and compassionate nature!

Third Quarter Coin Offering — Third Quarter Coin Offering will be going to Midwest Mission Distribution Center. The Midwest Mission Distribution Center is a mission of the United Methodist Church. Since opening for ministry in 2000, Midwest Mission has been showing God's Love in practical ways through the distribution of education, health, micro-business, and disaster relief supplies meeting basic human needs around the world and around the corner.
