

Run Up To Rummage

Are you looking through closets? How about the garage? On a cooler day peek in the attic...find those unused, neglected, or no longer needed items and contribute to the CUMC Rummage Sale – Sat. Aug 24.

We'll start accepting your items on Saturday, August 10 so that gives you a month to dig! What can you do in the meantime?

- Bring in your hangers...we're adding clothes this year for all ages!
- Save your paper grocery bags!
- We're looking for ways to expand our tables (never have enough) so boards and cement blocks would help us create a multi-level shopping experience.
- Sign up to take a shift – sorting, putting on pricing stickers (don't worry – pricing is made easy!) and day of the sale help...need lots of CUMC folks to take a shift...some of them you can even remain seated! See the clothes display bulletin board for sign-ups or go to the links via the website (cedarburgcumc.org/events/)

Bonus: If you can guess whose clothes are hanging each week, \$1 will be donated to the rummage sale starter cash!

Weeding Update!

Many thanks to those who have helped with the weeding, it's getting there! Our Music groups have decided to adopt the corner surrounding the music room and will maintain that area. With that idea, Julie Fingeroos has decided to adopt the courtyard (the area when you look out the windows by the fireplace). Would anyone else like to adopt an area to maintain? It doesn't have to be big, even just one island in the parking lot, for example. You pick what you feel you (or you and some friends) can maintain. We hope this is an idea that will catch on! Contact Julie Fingeroos if interested: juliemomof4@earthlink.net

Church News

Men's Study Group — This month the Men's Group will begin reading and discussing a new book, *Living Our Beliefs: The United Methodist Way* by Bishop Kenneth Carder. Dr. Carder is a retired bishop of the Michigan Conference; he previously served parishes in Virginia and Tennessee and is currently on Faculty of Duke Divinity School. Many United Methodists have no clue as to why they are Methodists or why they believe what they do, moreover they have misconceptions about the basic tenets of Methodism. While our study text is not a history book, it will tell us how it all got started and how some people have let it become a bit warped or twisted. With Dr. Carden we will explore the beliefs and practices of The United Methodist Church as defined in The Book of Discipline. We will study the most critical elements of John Wesley's ideals, then learn how those ideals can be put to use in today's world. It does reinforce, re-state, and remind us what the core of the Methodist faith is, and how to live that core belief system. All men are invited to join our Study Group for discussion Thursday mornings at 7:00 a.m. at PJ Piper's in downtown Cedarburg. Breakfast or coffee is optional.

Outreach

Third Quarter Coin Offering — Third Quarter Coin Offering will be going to Midwest Mission Distribution Center. The Midwest Mission Distribution Center is a mission of the United Methodist Church. Since opening for ministry in 2000, Midwest Mission has been showing God's Love in practical ways through the distribution of education, health, micro-business, and disaster relief supplies meeting basic human needs around the world and around the corner.

Every Day Disciple — The first quarter of the Everyday Disciple program is complete, and the two "winners" of the first drawing were named: Paige Dawkins and Pat Lietzke. The Mission Outreach Team will donate \$50 to each of their favorite charities/programs. The program will continue at least until the end of the year. Acts of Kindness can be big or little. A phone call, pat on the back, or a conversation with a lonely person can mean a great deal to him or her. So don't think that your kindness is not important just because it is not a big thing. Please consider participating during this next quarter by doing an act of kindness for someone and put your name and action in the bucket for our next drawing. Feel free to nominate others that you see being an Every Day Disciple. But most importantly, just remember to show your love and compassion for others by doing something nice for someone. Together we can make this world a better place!

July Food Drive — The July food collection will be going to Family Sharing of Ozaukee County. Along with food, Family Sharing provides clothing, furniture, school supplies and much more to those in need.

Aluminum Can Drive — Start collecting now! Drop off date will be September 28. Our aluminum can drive proceeds will support El Porvenir: Clean Water, Healthy Nicaraguans. 54% of rural Nicaraguans lack access to clean water; 31 % lack adequate sanitation facilities. This project improves the quality of life of rural Nicaraguans through lower incidences of water and sanitation related diseases and mortalities. Wells and latrines are constructed by villagers trained to build the project and carry on its maintenance. El Porvenir provides materials and training. **LET'S WORK TOGETHER FOR A HUGE COLLECTION TO AID THIS UMC PROJECT!**

School Supply Collection — This year we will again be conducting a collection of school supplies to benefit a Milwaukee school or organization. This year the supplies will go to "New Beginnings are Possible". As you may know, New Beginnings is a Christian non-profit organization that provides after school tutoring, activities, and dinner for children on the north side of Milwaukee. CUMC has supported New Beginnings and its predecessor, the Agape Meal Program, for many years, by providing food and serving a dinner once a month. With this year's school supplies collection, we have a chance to increase our support for this most worthwhile organization. The drive will begin on July 1 and run through August 11. Just about any school supplies that you can imagine will be welcomed, including spiral notebooks (wide and narrow lined), three-ring binders, folders, pens, pencils, erasers, crayons, dry erase markers, colored pencils, highlighters, post it notes, backpacks, scissors, glue, tape, etc. Please be generous for those less fortunate and thank you in advance for your loving and compassionate nature!

Hunger Task Force Opportunity — We have been invited to join members of the Mequon UMC to sort food at the Hunger Task Force on Saturday morning, July 27. Note that this will be in addition to our scheduled work date at HTF on Saturday, September 14. Volunteers will meet with Mequon UMC members at the Hunger Task Force warehouse at 8:45 a.m., and will be finished by about noon. Any interested volunteers please sign up on the kiosk before July 22.
