

# Community United Methodist Church In-Person Worship Service

## Reserve Your Seat!

Due to the status of the COVID-19 pandemic, space is limited for in-person worship services. With that in mind, we are asking all attendees to reserve their seat(s) prior to the date of the service so we can appropriately prepare the space inside our church. Click [here](#) to secure your reservations. If you do not have access to the internet, you may call the church office and, as space is available, a seat or seats will be reserved for you. Please note seats are reserved on a first come first serve basis.

To reserve space, access the Sign Up Genius link. This will take to you to our scheduled Sunday services. Scroll through the dates to find the service you wish to attend. Check the **Sign Up** box within the corresponding date and then select the **Submit and Sign Up** button.

Face masks are required while inside the church and social distancing will also be practiced.

To reserve your spot, review the available space below and click on the button to sign up. Be sure to indicate the number of people (including children) attending with you so we can adequately account for space. Thank you!
