

### The Bell

The bell of change is pealing --

Its vacillating tongue laden with a six-word message -- "I am doing a new thing!" A compelling chime, drawing our attention to a six-lettered word called change. We see the bell, we hear its sound but our defiance obliterates its message.

And then...silence.

These hushed moments are intimidating! Has this iron emissary given up its quest to peal its appeal to our concrete walls of indifference?

The sound returns, ferocious and determined to carry on its duty! This messenger will not sit idle until we comprehend its six-lettered, six-worded message!

Our ears are suddenly un-stopped --We realize this message predicates God's Word, God's Will.

And then . . . awe.

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

The Men's Study Group is reading and discussing "Finding God In Science: The Extraordinary Evidence For The Soul And Christianity." The author, who was a scientist with NASA, reveals the consistency of the Bible and science and in plain language demonstrates that Jesus Christ's earthly message and mission parallel the natural laws of the universe. All men are invited to join us Thursday mornings at 7 a.m. at P J Pipers in Cedarburg, and find out how "Finding God in Science" will challenge our thinking and deepen our faith.
