

Lord God, You are good! Your goodness never ends;

Here we are God, the crowd has thinned out, it is eerily quiet;

The air has shifted, the palms have been trampled, the sky is gray;

The joy has disappeared, the voices of victory are silent;

The celebration for the arrival of Our long awaited Messianic Hope is waning;

The road ahead is long, but we are able! It is the way of suffering, we are able!

Mold us and make us like Thee divine.

Even in our human frailty, You are still good!

Even in our doubts, You are still good!

Even in the face of betrayal, You are still good!

We place our lives in your hands, because you are still good!

And your goodness never ends, And so we cry Hosanna!

AMEN!

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.
