

Independence Day is a celebration that recognizes the freedoms we have in our country. We observe this day with great thanksgiving, and we give glory to God for the abundant blessings bestowed upon us. We do this not with arrogance but with humility, recognizing that our blessings are given by the grace of God, and it is only through Him that we are worthy.

This year, the focus of Vacation Bible School is on **Making Waves** – what you do today can change the world around you. Our primary goal is to connect kids into a growing relationship with Jesus Christ because through this relationship, we can lead them to a better future. This is a wonderful time to connect outside of our weekly Sunday mornings, and it is a chance for kids and leaders to make great memories and have tons of fun.
