UMCOR US Disaster Relief Mission Fundraising Effort

The Mission Outreach Committee is launching a fundraising effort to raise \$2,000 for the UMCOR US Disaster Relief mission. While this will benefit various needs, it is primarily aimed at those affected by the flooding in Kentucky and the fires in California. While \$2,000 is an ambitious goal, we feel that it is within reach, given the generosity that CUMC has traditionally shown. This project will end on Sunday, September 4. We ask that you prayerfully consider what you can do to help those who have lost so much. The Mission Outreach Committee is prepared to augment the amount that is raised in an effort to reach our goal. Please keep those who have been adversely affected by these natural disasters in your prayers. Thank you!
